

European Cancer Nursing Day 2019

Competition Guidelines

Deadline for applications – Friday 31 May 2019

Purpose: The aim of this competition is to encourage EONS members to enjoy creative involvement in ECND 2019 and to enable two nurses to attend the EONS12 conference in Barcelona from 27 September to 1 October, 2019. Our ECND 2019 theme this year is 'Safety' and this should be reflected in your activities, spreading the message to as many cancer nurses as possible.

The prizes: The two winners will receive free registration, travel and accommodation at EONS12.

Categories: There are two prizes, one for each category: 'Best ECND 2019 Event' and 'Most Creative ECND 2019 Social Media Campaign'.

Deadlines: The deadline for entries is 17:00 hrs on Friday 31 May, 2019. Entrants will receive an email acknowledgement of their submission and can expect to be notified of the judges' decision by 28 June 2019.

Conditions: Both categories are open to both EONS individual members and EONS National Societies. Individual entrants must be a registered nurse working in cancer care and have active membership of EONS. If a National Society wins, it is up to that Society to decide which of their members they will send to EONS12.

Applicants in the 'Best ECND Event' category must include 10 photos and a brief description (300-500 words) of the event (in English, though entries will not be judged on the quality of language skills). Video footage is also encouraged but not essential.

Applicants in the 'Most Creative ECND Social Media Campaign' category must title their submission, send screenshots of social media posts and interactions, including data demonstrating the level of response/engagement they received. The hashtag for ECND 2019 is #ECND19Go4Safety and must be used throughout.

The EONS Secretariat will liaise with the winners to arrange registration and accommodation at EONS12. Half the award will be provided upon winning and half upon submission of receipts.

The winners will be invited to produce a brief summary of their experience at EONS12 and how they benefited from it, to be published in the EONS newsletter, website or via social media channels. This must be submitted by mid-October 2019.
