

Item 3: President's report 2009-2010

Sultan Kav

Strategic Direction: 2010-2011

- Modernise infrastructure, processes etc.
- Engage more closely with members & encourage active participation
- Professionalise member services whilst remaining cost effective
- Increase engagement with external groups
- To improve alignment with changed UK charitable status requirements: demonstrate public benefit

EONS Vision

Moving forward together to realise the potential of cancer nursing across Europe

EONS Mission

To promote a healthier future for people affected by cancer, ensuring that they will benefit from the care of well-educated, perceptive and proficient cancer nurses

EONS Values

Inclusive

Supportive

Credible

Practical

Effective

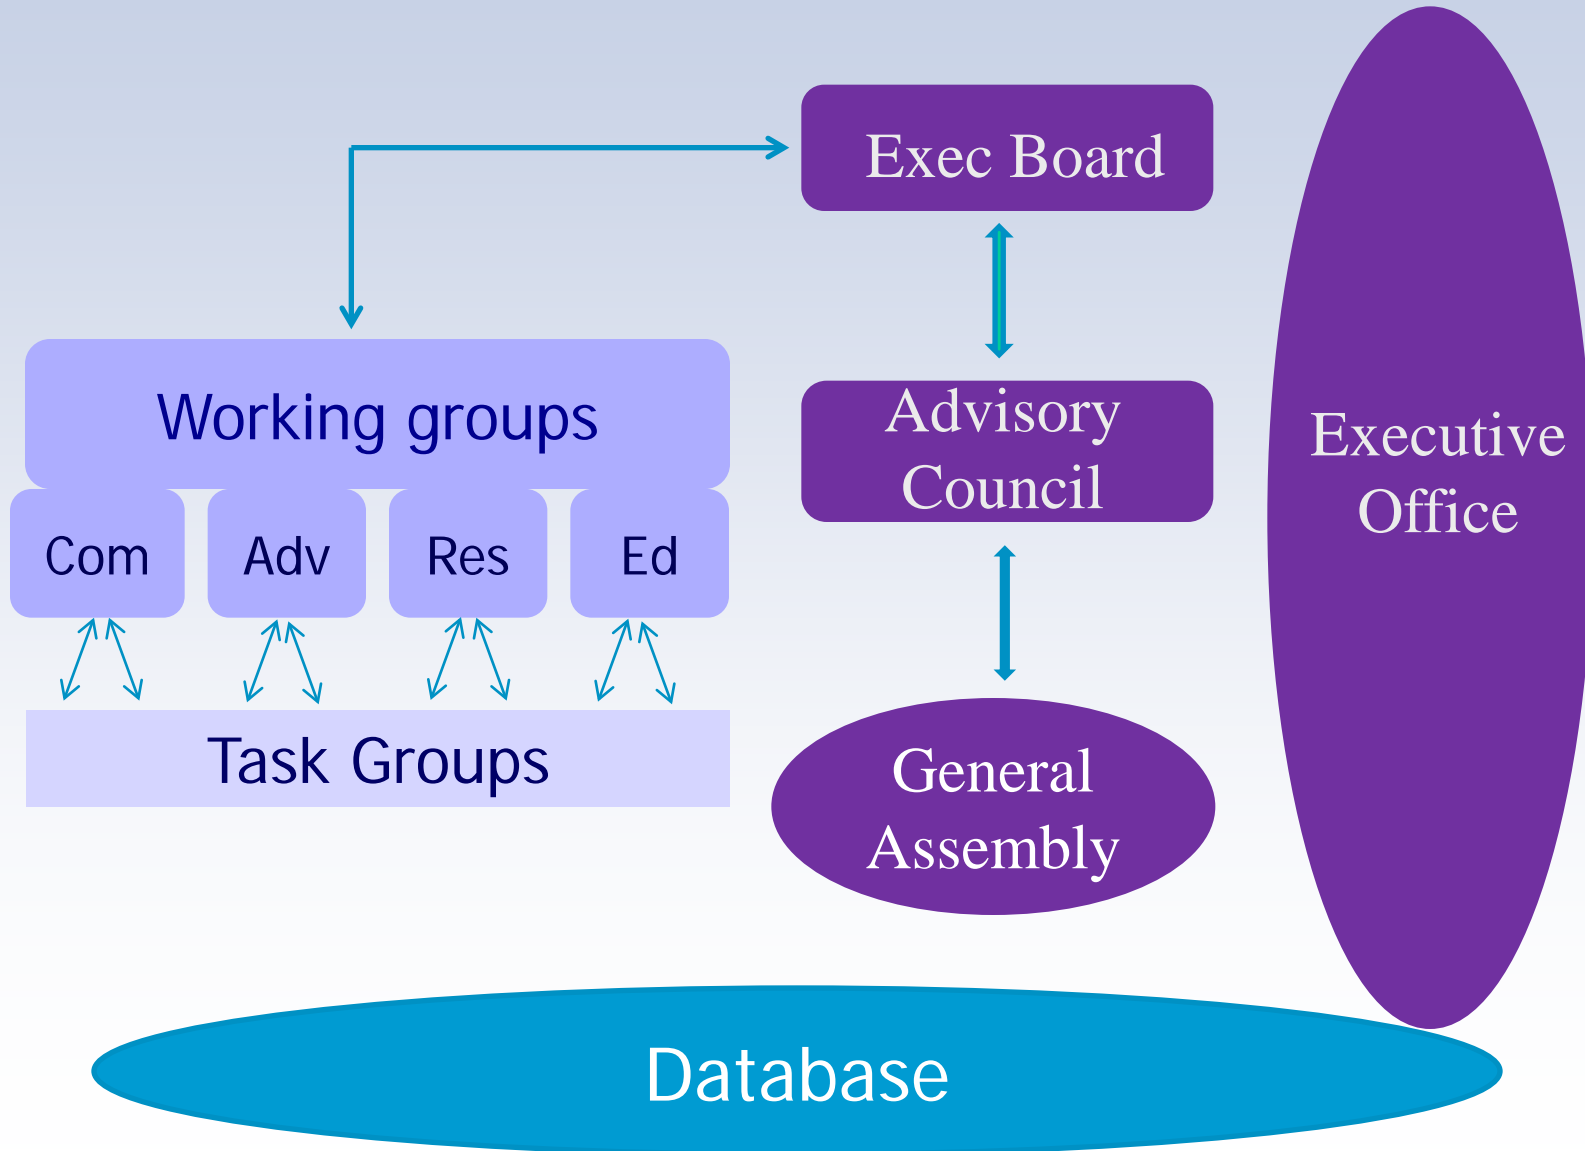

CARE Strategy

Activities are allocated to one of the 4 CARE areas.
Activities may move between areas as work progresses.
Each activity delivers part of the overall strategy.

Governance Structure

Advocacy Group Objectives

- ▶ Develop an EONS regulatory/policy strategy; prioritizing activity that supports the EONS strategy.
- ▶ Represents cancer nurses views in the European policy/regulatory arena.
- ▶ Engages with other NGOs, governments etc in a prioritized manner
- ▶ Works jointly with them on relevant policy/regulatory issues that link to the EONS strategy.
- ▶ Develop EONS position statements and opinions in areas that support the EONS strategy.

EONS Contact Points for National Nursing Societies: 2010 & 2011

- ▶ Fostering a personal relationship with the Society to build stronger engagement of the national societies with EONS
- ▶ Each Board member has been assigned three countries
- ▶ TC and/or e-mail contacts with societies
