

EONS Satellite Symposium

Protecting the Oncology Nursing Workforce & Patients: from therapy preparation to delivery

DATE

**Saturday, 24
October 2026**

TIME

10:15–11:15 CEST

VENUE

**Tarragona Auditorium,
Palacio Municipal,
IFEMA Madrid,**

WHY ATTEND?

Gain practical insights into safer hazardous-drug handling and correct-route SACT delivery, helping protect the oncology nursing workforce and patients.

01

Understand hazardous-drug handling risks

Recognise key risks associated with handling hazardous drugs.

02

Challenge common safety misconceptions

Strengthen safer, evidence-informed handling practices.

03

Support safer SACT delivery

Reinforce correct-route administration and safer patient care.
