## **Official Statement – EONS Board Announcement**

### **Acknowledging the Contributions of Virpi Sulosaari and Johan de Munter**

We wish to express our sincere gratitude to

President Virpi Sulosaari and Past President Johan de Munter, who are resigning from their roles on the EONS Board and will no longer represent our organization.

Over the years, they have both made invaluable contributions to the advancement of cancer nursing across Europe. Their leadership, vision, and commitment to excellence have played a key role in shaping the direction of EONS and supporting oncology nurses in providing high-quality care to patients.

On behalf of the entire EONS community, *we express our deepest appreciation* for their outstanding service and dedication. We wish them continued success and fulfilment in all their future endeavors.

With deepest appreciation,  
The EONS Board

EONS President-Elect  
Dr. Helena Ullgren
